Re: Recommendation for Ms. Amber Rhodes

It gives me great pleasure to recommend Ms. Amber Rhodes. She has worked as an integral part of the Admitting Department at Kaiser Permanente Medical Center in South San Francisco for 7 years. She has shown to be friendly and professional towards patients when she approaches them to ascertain their consent for hospital treatment and other required paper work. Amber has an excellent attitude and has developed friendships with her coworkers in the Admitting Department as well as with the many nurses she encounters as part of her work in the patient care setting. Her willingness and motivation to learn will bring her success as a new nurse. She has been able to manage working 24 hours per week while pursuing her nursing education for her Bachelors Degree.

I have worked with Ms. Rhodes for 7 years and I thank you for the opportunity to praise Amber. I recommend her highly for the position of Staff Nurse 1 and believe she would be an asset to any company she chooses. I welcome the opportunity to discuss Ms. Rhodes further.

Sincerely,

Lana Chan, RN
